Spreading infection due to excessive contact and mixing between pupils and staff in lessons		<p>Where pupils are old enough and capable enough, they will be taught and reminded to maintain their distance and not touch staff or peers.</p> <p>Pupils will be seated side-by-side and facing forwards, and unnecessary furniture will be moved out of classrooms to allow for this.</p> <p>For physical activity, contact sports will be avoided. Outdoor sports will be prioritised where possible, or large indoor spaces used where it is not. Distance between pupils will be maximised as much as possible.</p> <p>Staff can work across different groups in order to deliver the school timetable, but they will keep their distance from pupils and other staff as much as they can (ideally 2 metres apart). This won't always be possible, , but close face-to-face contact will be avoided, and time spent within 1 metre will be minimised.</p> <p>Any pupils with complex needs or who need close contact care will have the same support as normal as distancing isn't possible here. Staff will be rigorous about hand washing and respiratory hygiene.</p> <p>Supply teachers, peripatetic teachers and other temporary staff will be told to minimise contact and maintain as much distance as possible from other staff. The number of temporary staff entering the school premises will be kept to a minimum.</p> <p>Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual. These staff will be advised to be rigorous about hand washing and respiratory hygiene.</p>	SLT /All Staff	24 th July 2020

For pupils who routinely attend other settings on a part-time basis, such as an alternative provision setting, the school will work with these other settings to work out a system to keep these pupils safe.</p> <p>Pupil groups will have staggered timetables, including for start and finish times, break and lunch times, and assemblies, to avoid too many pupils being in one place at the same time. Movement around the school site will be kept to a minimum.</p> <p>Pupils will be supervised at all times to ensure mixing between groups doesn't occur, and they will be reminded about the rules throughout the day.</p> <p>All rooms will be cleaned between each use. For dining areas.</p> <p>Toilet use will be managed to avoid crowding.</p> <p>Staff use of staff rooms and offices will be staggered to limit occupancy.</p> <p>Visitors to the site, such as contractors, will have guidance on physical distancing and hygiene explained to them on or before arrival. Visits will happen outside of school hours wherever possible. A record will be kept of all visitors.</p> <p>Non-overnight domestic educational visits can take place in the same pupil groups, but only subject to a separate risk assessment that considers the coronavirus measures in place at the destination.</p>

Spreading infection due to the school environment		<p>Checks to the premises will be done to make sure the school is up to health and safety standards before opening in September.</p> <p>Fire, first aid and emergency procedures will be reviewed to make sure they can still be followed with limited staff and changes to how the school space is being used.</p> <p>Areas in use will be well ventilated by opening windows or using ventilation units. Doors will be propped open, where fire safety and safeguarding wouldn't be compromised.</p> <p>Lidded bins will be provided in classrooms and other key locations to dispose of tissues and any other waste.</p> <p>Outdoor space will be used for exercise and breaks, and for education where possible.</p>	Site Manager	24 th July 2020	Lidded bins for classrooms needed
Spreading infection due to excessive contact and mixing in meetings		<p>Where possible, all meetings will be conducted by telephone or using video conferencing. This includes meetings with staff, parents/carers, visitors and governors.</p> <p>Where this isn't possible, essential meetings will be in a room large enough to allow for social distancing.</p>	SLT	24 th July 2020	
Individuals vulnerable to serious infection coming into school		<p>The school will continue to follow any shielding guidance in place to decide who should come into school.</p> <p>If the guidance is paused, all staff and pupils are expected to come into school.</p> <p>Staff who are clinically vulnerable or clinically extremely vulnerable should alert SLT they have been advised and coming into school will be placed in the safest possible on-site roles where it's possible to maintain social distancing.</p>	SLT /All Staff	24 th July 2020
