The director will also consider the pastoral needs of staff accused of misconduct.

# **8. Behaviour management**

## **8.1 Classroom management**

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display the student code of conduct or their own classroom rules
- Develop a positive relationship with students, which may include:
  - Greeting students in the morning/at the start of lessons
  - Establishing clear routines

  - Highlighting and promoting good behaviour

  - Using positive reinforcement

## 8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

## 8.3 Confiscation

**Any prohibited items (listed in section 3) found in students' possession will be confiscated.** These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

## 8.4 Student support

The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.

The school will work closely with the special educational needs co-ordinator of the students on role school and will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

## 9. Student transition

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those students transferring to other schools.

## 10. Training

Our staff are provided with training on managing behaviour as part of their induction process.

Behaviour management will also form part of continuing professional development.

A staff training log can be found in appendix 2.
